The Swim Connection

If you don't know what level your child should be... see reverse side for explanation of levels. If your child took swim lessons in 2010, you can also log in to your customer portal and click on the "My Student Tab", then choose the child's name, and click on the "Student Skills Tab". Their level will appear in the "Notes" field for 2011.

Class Length and Fees: Weekday sessions for Levels I, II, III, IV, V, and VI are 45 minutes for eight consecutive business days. \$123.00 for the first child in the family. Class price for a second child or second class for the weekday sessions is \$15 off and Saturday Sessions and Super Sessions are \$10 off. For Levels I, II, III, IV, V, and VI for the four Saturday Sessions and the 4-Day Super Session 50-minute lessons are \$81.00. Once registered, there is a \$10.00 fee to change class times. A doctor's note is required for any refund. If you cancel less than 10 days before the class starts without a doctor's note, there is a fee of \$25.00. This is necessary due to our very small student-teacher ratio.

Registration: There is an annual registration fee of \$39.00 per family if due. A completed registration form and full payment must be received in order to reserve a class time. Register as soon as possible. In the years past we've had more than 850 kids fill all our classes and had waiting lists.

Make-ups: Due to our small student teacher ratio we cannot allow make-ups in other classes. If your child misses a lesson they can do a swim make-up class held on Saturday afternoons. If we cancel swim classes due to weather or other reasons, we will makeup the class either throughout the week or at the end of the session and in rare cases, on a Sunday.

Private Lessons: All private lessons are \$30 for 1/2 hr lesson. Refundable only with a doctor's note. There is a \$10.00 cancellation fee.

When registering for multiple sessions: Rarely do children pass Level II after one time, most often children take Level II at least twice. Ask your child's teacher after 2-3 days of class if they are ready to move-up, and we will try to accommodate you and switch your child's class if needed.

***All students enrolled in Level I must be at least 16 months old and wear our special swim diapers if not fully potty trained.**

Strikeout through the class time indicates the class is closed due to full enrollment
